

Plato's Harvest Organic Farm

2018 CSA Application

Plato's Harvest is a certified organic mixed vegetable farm. 2018 is our twelfth year offering CSA shares. Shares are distributed for an 18 week period and are picked up at one of three locations (see below). The share price is \$500. Distribution will begin in late May, exact date to be determined by growing conditions. There is also an egg share option – one dozen eggs will be included in your bag each week if you choose.

What will I get in each share?

Your share each week will vary in size and variety depending on the season. You can get a good sense of what the shares look like from past years by visiting our website (platosharvest.wordpress.com). The contents will vary throughout the spring and summer months but you can expect a wide variety of both familiar and new vegetables, with many heirloom varieties.

Sample Produce from Plato's Harvest (this is a partial list):

Greens: Lettuce, Arugula, Asian Greens, Spinach, Collards, Kale, Swiss Chard

Squash: Pumpkins, Winter Squashes, Summer Squashes

Root Vegetables: Garlic! Potatoes, Sweet Potatoes, Carrots, Onions, Leeks, Turnips, Beets

Salad Fixings: Tomatoes, Peppers, Cucumbers, Radish

Other: Eggplant, Melons, Cabbage, Broccoli, Cauliflower, Celeriac, Sweet Corn! Artichokes!

Details

Distribution takes place once a week at your choice of location and pickup day: **Tuesday afternoons between 4 pm and 7 pm** at the **Soule Homestead Education Center**, 46 Soule Street, Middleboro, MA, or **Friday afternoons between 4 pm and 8 pm**, at the **Mayflower Brewing Company**, 12 Resnik Road, Plymouth, MA. Distributions begin in late May as greens and peas and other early-season crops become available. You will arrive to find your bag pre-packed and ready to pickup. We encourage you to also check out and support what your pickup location has to offer.

If you are away, ask a friend to pick up your share. If you would prefer we not harvest your share for that week, just let us know. There are no refunds for missed shares.

We also encourage you to visit the **Plymouth Farmers' Market** for the rest of your weekly grocery needs – details here: plymouthfarmersmarket.org. And, we raise a limited amount of chicken and pork each year – all on pasture and certified organic grain. Let me know if that's something you're interested in. Thanks for your support, and don't take food from strangers!
