Donation Request Form

Soule Homestead Education Center is proud to provide charitable contributions, in the form of admission tickets, to other non-profit organizations. Our donation consists of a family four-pack of admission tickets to an upcoming event at the farm. To qualify, the requesting organization must be a 501(c)(3) agency. The farm does not make monetary donations.

Throughout the year, SHEC receives many requests for donations. As a non-profit organization, there are limitations in our ability to support all requests. For consideration, the completed request form must be submitted 60 days before your event.

Requests not received via this form will not be considered nor receive a response. Phone calls requesting or tracking donation requests may not be returned. Thank you for your cooperation and understanding.

Please note: Please fill out the required fields on this form and email it to director@soulehomestead.org. There is no guarantee of donation. If you are approved for a donation of tickets, someone will contact you to arrange delivery.

- We do not provide support to organizations raising funds on behalf of another benefiting group.
- We do not donate to families or individuals.
- Requests must be submitted a minimum of 60 days prior to the event date.
- Donations will be mailed directly to the non-profit organization; please do not submit additional delivery addresses or residential addresses.

Please fill out the required fields on this form and email it to director@soulehomestead.org. There is no guarantee of donation. If you are approved for a donation of tickets, someone will contact you to arrange delivery.
