The farm is open *almost* 365 days a year as a green space where the community is free to come, explore, and enjoy our space. It's a place where families come and spend time together, children play, people socialize, walk our trails, say hello to our animals, or even to come and enjoy the quiet moments with a warm cup of coffee in our rocking chairs on the front porch.

Your membership to SHEC helps us to support and preserve this wonderful farm and the programming that we run here.

We have a variety of membership choices to fit your needs!

Senior (65+) & Individual (12+) benefits:

- Enjoy discounts on almost all programming at the farm including programs, events, festivals and fairs, workshops, concerts, and more.
- Early access to sign up for our most popular workshops at the farm, our Community Garden, and our coveted Annual Plant Sale
- Invited to attend our Annual Meeting and may serve on our Board of Directors.

- Same benefits as Individual PLUS discounts and early registration access for our popular children's summer camp program.
